CU20 Pro Steam Carpet Cleaner

Steam. Scrub. Shine.

CU20 Pro Steam

Carpet Cleaner

CU20 Pro Steam delivers professional carpet cleaning with 100°C steam, eliminating stubborn stains and 99.99% of bacteria. Its dual rollers beat carpet fibers at 1,000RPM, while 18,000Pa suction effortlessly lifts both wet and dry debris. A large water tank and extended power cord keep your cleaning uninterrupted. For tricky areas the main body can't reach, it includes specialized attachments designed to tackle carpet corners, fabrics, windows, shoes, and more—covering a wide range of cleaning needs.

Key Features

100°C Steam for a Hygienic Home

In just 18 seconds*, the high-powered boiler produces steam above 100°C* for an efficient, deep cleaning experience. The high-temperature steam penetrates carpets thoroughly, killing 99.99%* of hidden bacteria—keeping your home fresher, safer, and healthier for the whole family.

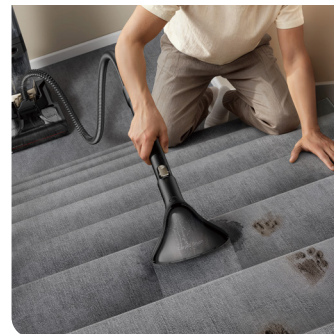

Deep Clean with Every Pass

CU20 Pro Steam tackles even deep-set dirt hidden in carpet fibers. Its high-speed dual brushes loosen and lift embedded grime, while powerful 18,000Pa* suction easily removes it for a spotless finish. Wider brush coverage cleans more with every pass, leaving carpets fresh and hygienic in no time.

Multi-Scene Cleaning Made Simple

Beyond carpets, the 2.5m* hose connects to versatile attachments, allowing you to easily clean hard-to-reach areas like steps and under furniture, while extending cleaning to sofas, windows, and shoes. One machine does it all—saving space, money, and effort.

Extended Coverage, Effortless Mobility

CU20 Pro Steam eliminates the hassle of repeated refills and unplugging. With a 4L* water tank, it provides up to 60 minutes* of continuous steam. Its 8m* power cord covers up to 150m²* in a single session, ensuring smooth, uninterrupted cleaning across large areas.

Specifications

Rated Power	1300W
Suction Power	18,000Pa
