Dreame Tasti™ Air Fryer

5-in-1 Portable Glass Air Fryer

Fry at home, pick & go.

Dreame Tasti™ Air Fryer

5-in-1 Portable Glass Air Fryer

Fry at home, pick & go.

Two-Pot setup (2.5 L + 4.5 L) for both cooking and packing a meal to go. High-borosilicate glass container & stainless steel crisping tray, coating-free and with no odd smells. 360° panoramic viewing. 3D Circulating Hot Air Technology combined with steam infusion, 5 smart functions for truly simple, one-touch cooking.

Key Features

Air Fry Whenever, Wherever

- Dual-Functionality Meets Portability — The Air Fryer & Lunch Box Combo.

Two trays, two sizes, fit every meal.

- Switch seamlessly between different-sized containers (2.5 L + 4.5 L) without any extra accessories—compact, portable, easy to carry, and perfect for any cooking task.

Non-toxic, Healthy and Safe

- 6 mm-thick* high-borosilicate glass container and stainless steel crisping tray. Coating-free* for peace of mind—no odd smells or harmful emissions, even during high-heat cooking.

Effortless Cooking at One-Touch

- 3D Circulating Hot Air Technology & Steam Infusion Technology works with 5 one-touch smart programs to make cooking incredibly simple.

Product Dimension	2.5 L: 296 × 281 × 258 mm 4.5 L: 296 × 281 × 306 mm

Features

What's in the Box

PowerCore × 1	2.5 L Glass container × 1	4.5 L Glass container × 1	Crisping Tray × 1
Freshness lid × 1	Brush × 1	Measuring cup × 1	Silicone mat × 1

1. The data above are based on our in-house lab, and actual performance may vary depending on the actual environment and usage conditions.
2. 6 mm is the average thickness of the glass container, with the thickest being 7 mm and the thinnest 5 mm due to shape differences.
3. Free of PFAS, PTFE and other persistent chemical substances.
4. The product appearance, structure, color, function and other details presented in the promotional materials are for illustrative purpose only and may not be an exact representation of the product. Please refer to the actual product for accurate information.
5. A slight heating odor may be noticed during initial use. This is a normal occurrence and is distinct from the smell of burning plastic.
6. 5-in-1 refers to ROAST, BROIL, AIR FRY, KEEPWARM, and REHEAT functions.
7. Cooking results may vary depending on food type, size, and quantity.
8. PowerCore refers to the heating core of the air fryer, including the heating element and the circulation fan.
