**Earn up to**

**£140 a year**

**with vecFLEX rewards**

**Introducing vecFLEX, our new grid services scheme that rewards you for charging as normal.**

Join the evecution and help us build a greener, more stable electricity grid, for everyone.

**Find out more...**

## So, what is vecFLEX?

vecFLEX turns your EV charger into a flexible energy asset, helping you earn rewards while helping us build a cleaner, more resilient UK energy system. It's a win-win!

### Why should I join, we hear you ask...

- ✓ Get a £20 bonus once you're signed up
- ✓ Earn real rewards of up to £10 a month just for smart charging
- ✓ Help support a greener, more balanced grid
- ✓ Take advantage of off-peak tariffs
- ✓ Stay with your current energy provider - nothing changes!
- ✓ Quick, simple sign-up (it takes less than two minutes)
- ✓ Opt-out at any time
